

A Ducky Education

Think of a topic that the duck may be interested in learning about. Brainstorm ideas below about your chosen topic that could be included in a book for Davy to read to the duck and her ducklings.

Write a draft of your story to make into an 8-page picture book, including the front and back covers. Using folded or stapled A4 paper, publish your book and include illustrations.

Your Ducky Draft

A DAY IN THE LIFE OF A TASSIE DEVIL

Using the information from the article ‘Saving the Tasmanian Devils’ along with your own ideas about what else he might get up to, create a daily schedule for Wilbur.
