Giraffes

What makes you curious when you look at a giraffe? Do you wonder why they have such long necks, or if their spots are unique to each giraffe? Write your own curious questions about giraffes and research the answers.

A Creepy-crawly Camping Trip

Make an information poster for campers to help them know what to do if they find leeches attached to them.

Once Upon a Pair of Shoes

Design a pair of shoes for the fairytale character of your choosing. Will your character use their shoes for running, dancing, climbing or something else? Consider this in your design to help you decide their shape and what materials they should be made from.

Rude Awakening

Design an alarm clock that is gentle, but effective, in waking you up.
