

# NEW RECRUITS NEEDED!

Create a poster to help attract new volunteers for the Puffling Patrol. It should be designed to attract the attention of people who might be interested in helping, and should include information about what kind of work is involved, what time of year volunteers are needed and what equipment they should bring.

# A HOUSE FOR MR BEAVER

Answer the questions below, recording the answers in your maths book. Once this is done, create a model of Mr Beaver's house by following the instructions below.

Cut along the solid lines and fold inwards along the dotted lines. Use sticky tape to connect the joins. Follow the same process to create the roof, then attach it with sticky tape.

Estimate and measure the length of the wall.

Estimate and measure the width of the wall.
